Shelly,  
 To a good  
 friend since 3<sup>rd</sup>  
 known all the good times  
 Remember all the good times  
 we had in 6<sup>th</sup> grade and in  
 homeroom. Looking forward to a lot  
 more good times during softball. I'll  
 never forget all the times you asked me for  
 my (nick's) schedule. I hope you have alot more  
 good years at MHS.

Michelle Sp.

## Memories are Forever

Shelly,

Always remem-  
 ber the lunch  
 periods in 7-1 and  
 the other crazy  
 times in 6. Good  
 luck in the fu-  
 ture. I'm sure  
 you don't need  
 luck but I hope  
 you have it. Re-  
 member me always,

A.V.G.P.A. Becky  
 Sp.

Shelly,

To the greatest, prettiest, coolest, funniest, and most wonderful best friend a person could ever have! (I have all the luck!) There are so many memories we have together, I mean we've been so close and always together since 3<sup>rd</sup> grade, that's about half our lives we've spent doing WILD things! That I'd almost say mosquito! We laughed so hard we got sent to the bathroom! We always played kiss tag, at lunch we always made sure we ate everything on our tray so we'd get a kiss from Kevin, yeh he was quite the thriller! Then there was Rhonda, she was good at screwing things all up! But we left her have it, I bet she learned her lesson!

# MEMORIES . . . *are forever*

Such events as the excitement of Penn State's Nittany Lions charging ahead to become national champions, the romance of Prince Charles's and Lady Diana's fairytale wedding, the revelation of unearthing the villain in Mrs. Charles Volchansky's "whodunit", "Dial H for Help", the confusion of our first look at computer scheduling — all will be stored as remembrances in our minds. On occasion we may seem to have forgotten an event until someone reminds us of a few details and we respond with, "I remember . . .". This reminiscence is possible because our memories are forever.

We, as students, are subject to many experiences throughout our school careers. For some of us these may include athletics, club memberships, or serving as a class or club officers. For others, the challenge of succeeding in an academic subject is, in itself, sufficient. Regardless of the route we chose, we are bound to have shared many similar encounters: choosing courses, activities, and class rings are a few of these. It is the whole learning process involved with each decision that forms our unique personalities, leaving each of us with our own set of memories for the years to come.

Our school years created the many memories that we now have and always will have. These special times will become permanent additions to our lives — as memories.

Memories, according to Oscar Wilde, compose "the diary that we all carry around with us." We, as humans, share the privilege of possessing a memory — a place in which to store our innermost thoughts, feelings, and desires. It also allows us room to store remembrances of some of the best times of our lives. These recollections may someday come into play as we watch the next generation grow up and as we day-dream about our own high school years. Memories of the past provide hope for the future; they are a reminder of life's many joys. Memories are never more than a thought away because MEMORIES ARE FOREVER.

# SPRING

*"Ah, we fondly cherish faded things that better perish. Memory clings to each leaf it saves." J.H. Boner*

The sports banquet, choral and band concerts, FFA and FHA banquets, and Commencement mark the spring calendar. For the members of the Senior Class these events were the culmination of six years of determination and desire to prove that they were capable individuals.

For their first few years in attendance at Middleburg all the seniors experienced the same type of curriculum to allow themselves the proper knowledge to choose the correct path to follow. Those that decided on careers that would require a college degree chose to concentrate on the academics. The students who felt a career in business was what they wanted for themselves chose the business communications curriculum. Since MHS is located in a rural area it was only natural that many students wanted to become farmers; they enrolled in the agricultural division of studies. For the many students who decided on technical careers, vocational technical school was the obvious choice. However, no matter how different each of their individual lives were they all shared that common struggle to reach that turning point in their lives, Commencement.

# *Graduates Focus on Thoughts of Future*

On June 9, 1983, the commencement band, under the direction of Mr. Ronald Renshaw, signified the beginning of the graduation exercises and the beginning of a new way of life for those seniors. Tears of joy filled the eyes of many as they entered the crowded auditorium.

Salutatorian, James Karchner, delivered his speech on "Past to Graduation", asking his classmates to look back on their years as high school students.

Scott Rhoads, Valedictorian, challenged his classmates with thoughts of the future with his message entitled, "Graduation to the Future".

Mr. Harvey Kreamer, President of Midd-West School Board, presented the class with the long awaited diplomas.

## ***Talented Drama Club Presents Original Play***

Drama club held the audience in suspense while tickling its funny bone during the spring plays. The evening presentation, *The Lighter Side of Crime*, consisted of two one act plays.

The first play, "Dial H for Help", was a first in MHS history. The director of the play, Mrs. Darlene Volchansky, was also the author.

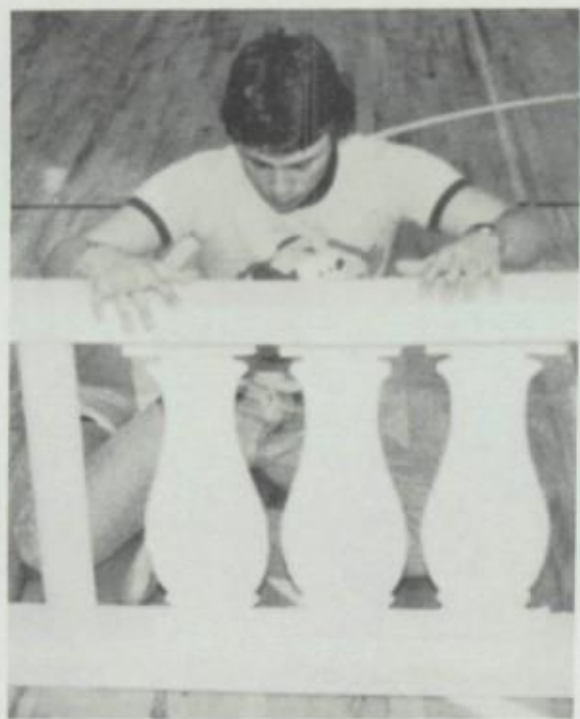

During long practices, Mrs. Volchansky and the cast revised many lines as well as ideas. The end result was a totally hilarious, suspense-filled melodrama.

A comedy based on the Snyderley Whiplash cartoon was the second play of the evening.

## *Prom Theme Centers*

### *On Hearts, Rainbows*

Though it seemed like it would never happen, the dreams of the Class of '84 finally became a reality in the form of the 1983 prom. Junior class officers Dane Hockenbrock, Cristina Dippery, Amy Howell, and Terri Gill began planning for the big event in October. One of the tasks in store for the officers was the formation of committees. Members of the decorating committee worked hard choosing decorations to fit the theme, "Up Where We Belong," and theme song from the movie *An Officer and a Gentleman*. The silhouette of the man and woman who starred in the movie, surrounded by a heart in a rainbow-lit sky, comprised the backdrop, while a bridge crossing a fishpond adorned the center of the gym. Maroon, pink, and white streamers and hearts created an illusion of romance.

Following the crowning of Albert Tompkins and Terri Reichley, the Senior Class provided a movie and a sockhop in the high school cafeteria.

### ***Reign At 1983 Prom***

On May 6, 1983, after intense preparation and frustration, the Class of '84 was ready to present the results of hard work and dedication. Crosstown Bus provided musical entertainment.

At 10:00, six couples paraded across a fishpond by way of a bridge and found their places. Junior Class president, Dane Hockenbrock, chose that moment to announce the 1983 King and Queen, prompting 1982 King and Queen, Neil Klinger and Carolyn Pyle to surrender their reign to the new royal couple, King Albert Tompkins and Queen Terri Reichley.

### *Musical Abilities*

On April 8th and May 12th, the band and chorus held their annual spring concerts.

Ronald Renshaw led the senior and junior bands in several tunes such as "Captain Video", and "1812 Overture".

Lisa Mitchell received the John Phillip Sousa Award. Other awards were Outstanding Band Member, Terri Reichley; Jazz Award, Crystal Hackenberg; Outstanding Bandfront Member, Wendy Howell.

The choral concert consisted of musical talents from the junior chorus, ensemble, and girls' and mixed choruses. Directress Colleen Bidalspach awarded trophies to Joan Graybill, National School Choral Award; Terri Reichley, Soloist Award; Jeff Lewis, Service Award.

# Athletes Recognized

## For Dedication

Thursday, June 2nd, 1983, saw many athletes rewarded for their dedication to the sport's program. Dana Heddings and Gary Keister received trophies for Outstanding Female and Male Athlete while Lisa Mitchell and Jim Karchner took home trophies for their outstanding competitiveness in sports.

The Most Valuable Players were field hockey, Lisa Mitchell; soccer, Gary Keister; girl's basketball, Denise Heintzelman; boys basketball, Robbie Musser; wrestling, Clay Payne; cheerleading, Crystal Hackenberg; baseball, Jeremy Zechman; softball, Teresa Ulrich; golf, Jim Karchner.

Guest speaker, Rodger Goodling, basketball coach at Shippensburg University, brought enjoyment to those in attendance with his humorous speech on good sportsmanship and dedication to individual sports.

# SPORTS

*"The thrill of victory, the agony of defeat."*

Soccer, field hockey, basketball, wrestling, baseball, softball, and golf teams represent Middleburg in interscholastic competition. For any student who has had the opportunity to be a member of any of these teams there are cherished memories — practices, games, winning, losing. One of the most prominent memories of the year came on August 25 when the Sports Boosters Club presented the school district with a lighted athletic field.

District residents gave an estimated six hundred thousand dollars worth of donated time, equipment, and labor to the project.

The dedication ceremonies began with an exhibition hockey game between the varsity team and an alumni team. The official dedication followed the game. James Aurand opened the ceremonies with remarks and the Reverend Wayne Lupolt presented the invocation. Dr. Barry Smith and Robert Apple then accepted the field for the Midd-West School District from Ronald Wenrich, Sr. and Richard Herbster, president and vice-president of the booster club. Minutes later, during a standing ovation, Penrose Hockenbrock threw the switch to light the field. Mr. Hockenbrock was one of the many members of the community who was instrumental in formulating the plans for the athletic park.

# Middies Excel Under New Baseball Coach

Under new head coach, Mr. Daniel Perna, the varsity baseball team finished the season with a record of nine wins and eleven losses. Jeremy Zechman had the highest batting average on the team with a .469 average. Jeremy had the second highest average in the league. Ronnie Wenrich was second on the team in batting averages with a .390 average. Ronnie led the team in homeruns with five. He also broke the previous record of four, held by Bryan Kratzer. Robbie Musser led the team in pitching with a total number of ninety strikeouts. Robbie broke the old record of seventy-six, held by Terry Sheaffer. Jeremy Zechman was named MVP of the team.

# Young Sluggers Play Few League Games

Despite a lack of competition the J.V. baseball team, coached by Lee Shamory, rounded out the season with an overall record of three wins and two losses in twenty-five innings of play. Because many of the opposing teams did not have JV teams, the baby Middies were unable to play every game. Rounding out the season with fine batting averages were Mike Walter .667, Mike Wilt .667, Kevin Wenrich .555, Troy Freed .555, and Richard Roush .429. Richard Roush received the most valuable player award.

## *JV Softballers Slide Into Undefeated Year*

The 1983 JV Softball Team, coached by Matthew Solo, rounded out the season with one of the best JV Softball records in years. The team ended the season undefeated in the league with a record of 12 wins and 0 losses. Two of the members who helped to contribute to the team's success were Andi Dippery and Karyl Hertzler who both had a great season on the pitching mound. Andi Dippery had eighty-two strikeouts for the season while Karyl Hertzler had twenty-six. Jennifer St. Clair ended the season with three homeruns for the baby Middies and a batting average of .561. Andi Dippery received the most valuable player award for the 1983 season.

# Varsity Softball Team

## Proceeds To Playoffs.

The Varsity Softball Team, coached by Frank Fisher, had a great season with an outstanding record of 13 wins and 3 losses. This record is one of the best for the varsity in recent years.

The softball team made it to the league/district playoffs held at Selinsgrove, playing against Central Columbia, who had beaten the girls by a score of 15-0.

A high point of the season was Teresa Ulrich's no-hitter against Juniata. She pitched an outstanding game ending in another win for the Middies with a score of 20-0.

Batting their way through the season with high averages were Sue Erdley, .491; Dana Heddings, .396; Kim Hackenberg, .377; and Cristina Dippery, .324. Teresa Ulrich received the most valuable player award.

# Golfers Do Well In League Competitions

An outstanding record of eight wins and two losses helped the Middleburg golf team, coached by Mr. Kenneth Orris, place second in the Tri-Valley League.

Jim Karchner and his brother Andy competed in the Best Golfer Tournament held at Lykens Valley golf course in Millersburg. Andy, with a score of 80, placed second in the tournament.

Jim Karchner received the most valuable player award at the annual sports banquet held last spring for the best golfing average of 82.

In the fall, Missie Kidd and Andy Karchner continued on to District IV competition at the Towanda Country Club. Missie placed third which allowed her to compete in the state tournament at Carlisle. She played in a continuous downpour and still managed to turn in match scores of 100 and 101.

# Soccer Team Earns District Championship

The Varsity Soccer Team coached by Daniel Knepp captured the title of District IV State Soccer Champions. Striker Ronnie Wenrich broke the previous record of number of goals scored in a season held by Richard Felker, by scoring 45 goals. Striker Matt Herbster was second in scoring with 22 goals. Matt scored the lone goal in the District Final game. Goalie Robbie Musser had a total of 46 saves and recorded 9 shutouts. Ronnie Wenrich, Matt Herbster, Dane Hockenbrock, and Robbie Musser were named to the First Team All-Stars. Russell Goodling, Kurt Mauser, and David Wentzel made the Second Team All-Stars. By winning the District Playoffs, the Middies were able to continue play in the State Tournament; however, they lost their first game to State College by the score of 4-1 thus ending the season.

## Young Booters Place Second In League

The JV soccer team coached by Mr. Tedd Reitz had a fine season with an overall record of 10 wins, 2 losses, and 4 ties. During the season, the JV team hosted the State College JV soccer team at home and proceeded to lead the game with a goal by Jeff Apple assisted by Todd Umpstead early in the game; however, later on in the game, a State College player scored, thus tying the game with a score of 1-1. Neither team was able to score after this. Despite two losses in the season, one to Central Dauphin and one to State College, both with scores of 1-2, the team finished with a wonderful season placing second in the league, only to an undefeated but tied State College team.

David Klinger was the high scorer for the team with 18 goals throughout the season. Both Kevin Wenrich and Damian Blossey had fine seasons in the net with 52 and 48 saves respectively.

## Baby Scoopers Take Second In Division

The JV hockey team began as an inexperienced group under a new coach. Many of the sophomores moved up to the varsity which left many gaps to fill. Through long hours of hard work and with a determination of their will the girls made themselves into skilled players with a strong desire for victory. Armed with a strong defense and an ability to score goals when necessary, they completed a highly successful season with a 6-2-8 record. This placed them second in the Southern Division and third overall in the league.

Goalie Kitty Barner had an outstanding season in the cage with 26 saves. The high scorer for the season was Kristie Kaufman with eight.

## Varsity Field Hockey Team Claims Trophy

Rita Steffen coached the Varsity Field Hockey Team to an overall record of 9-8-1. The team had six shutouts throughout the season. One shutout came on September 10 when the team held its 2nd annual tournament. Middleburg shutout Millville, 3-0, and later beat Littlestown to claim the first championship ever held by the Varsity Field Hockey Team. The highest scorer was Kim Hackenberg with 8 goals and 5 assists followed by Amy Howell, 6 goals, 5 assists; Cristina Dippery, 4 goals, 1 assist; and Lynda Sanders, 3 goals, 1 assist. The team scored 30 goals and gave up only 21 goals. The goalies, Terri Howell and Micki Gehers, had 80 and 19 saves respectively.

## *Cheerleaders' Spirit Flows Among Teams*

Did you ever notice the young girls who stand by the sidelines at every game? They stand in the hot sun, bitter cold, and the chilling rain to cheer their team on to victory or to help the team overcome discouragement and defeat.

The girls worked hard over the summer learning new chants such as "Freak" and "Victory Bound". The girls used these new chants and cheers to spark enthusiasm at pep rallies for both the field hockey and soccer teams.

The co-captains for the fall varsity squad were Michelle Bowersox and Wendy Clouser. The co-captains for the junior varsity squad were Jeanette Kidd and Trudi Reitz. Miss Carol Rutt advised both squads.

## Gymnasts Perform For Overwhelming Audience

The gymnastics team, coached by Mrs. Mary McClellan and Mr. James Aurand, held its spectacular, annual show on March 24, 1983.

The gymnasium was filled to capacity with parents, friends, and gymnastic fans. Gymnasts performed on the parallel bars, balance beam, rings, high bar and did floor exercises. Other events included a square dance which involved senior high students, hand apparatus, and a doubles routine which included couples who performed synchronized stunts to the music of *Journey*. The audience also enjoyed the gymnastic stunts performed by boys and girls of Penns Creek, Beaver Adams and West Beaver Elementary Schools.

## Cagers Tally Victory By Defeating Indians

Despite injuries to three players during the season, Middleburg High School's Varsity Boys' Basketball team ended with an overall record of 8 wins and 15 losses.

The major highlight of the season was the win over Millersburg. This was the first time in MHS history that the team had ever beaten Millersburg in boys' basketball competition. Under the enthusiastic coaching of Robert Margoles, the team had a 30-19 lead over Millersburg at the end of the first half. Despite a strong comeback by Millersburg in the second half, the Middies managed to hold onto the win with a final score of 60-54. Robbie Musser and Dane Hockenbrock both had outstanding games, scoring 24 and 20 points respectively for the Middie victory.

## Veteran Coach Sets Pace For Young Team

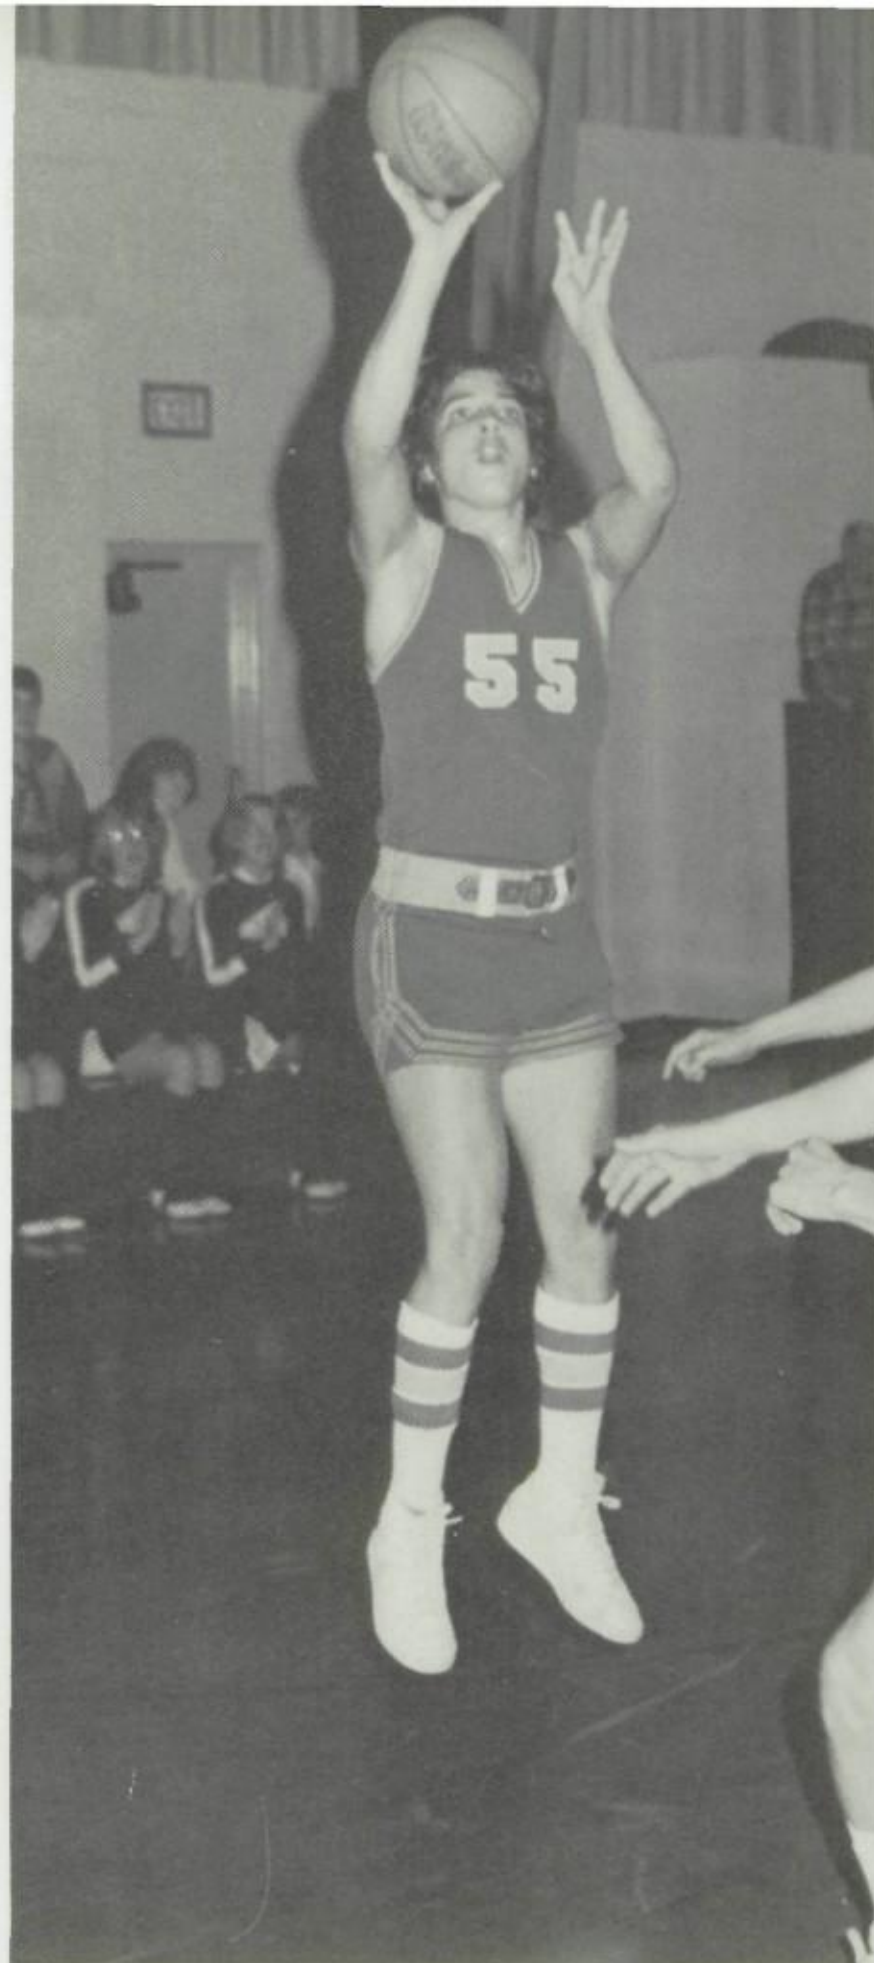

Under the third year coaching of Robert Kerstetter, the Junior Varsity boy's Basketball team had an above 500 season with an overall record of 9 wins and 8 losses.

The team played many long, hard fought games that left them with either a win or a loss by as little as one or two points.

One such game was the game at home against Upper Dauphin. The team managed to stay ahead of the Upper Dauphin players in the first half by a score of 15-9; however, in the second half they had to fight back with different types of defenses in order to keep the lead. They managed to stay on top of this very close and low scoring game and win with a final score of 28-27. Mike Lewis and Dwayne Groff were the high scorers of the game with 13 and 10 points respectively.

## ***J.V. Girls Overpower Aggressive Competitors***

The Junior Varsity Girls' Basketball team started the 1983-84 season on the right foot by defeating Lewisburg 24-16. The three sophomores and nine freshmen played hard all year under the direction of Coach James St. Clair.

In the fourth game of the season, the team rallied to beat a tough State College team, 23-22.

The girls went into the locker room at halftime down by a score of 10-6. The Middies outscored the Little Lions 12-6 in the 3rd quarter, then stayed tough in the 4th period to come away winners.

The girls ended the season with thirteen wins and eight losses. Kathy Folk led all scorers with 113 points, and Penny Hackenberg followed with 71.

## Lady Middies Defeat Powerful East Juniata

The Varsity Girl's Basketball team significantly improved last year's record with nine wins and twelve losses. Two seniors, three juniors, and three sophomores played hard and aggressive ball under the direction of George Snyder.

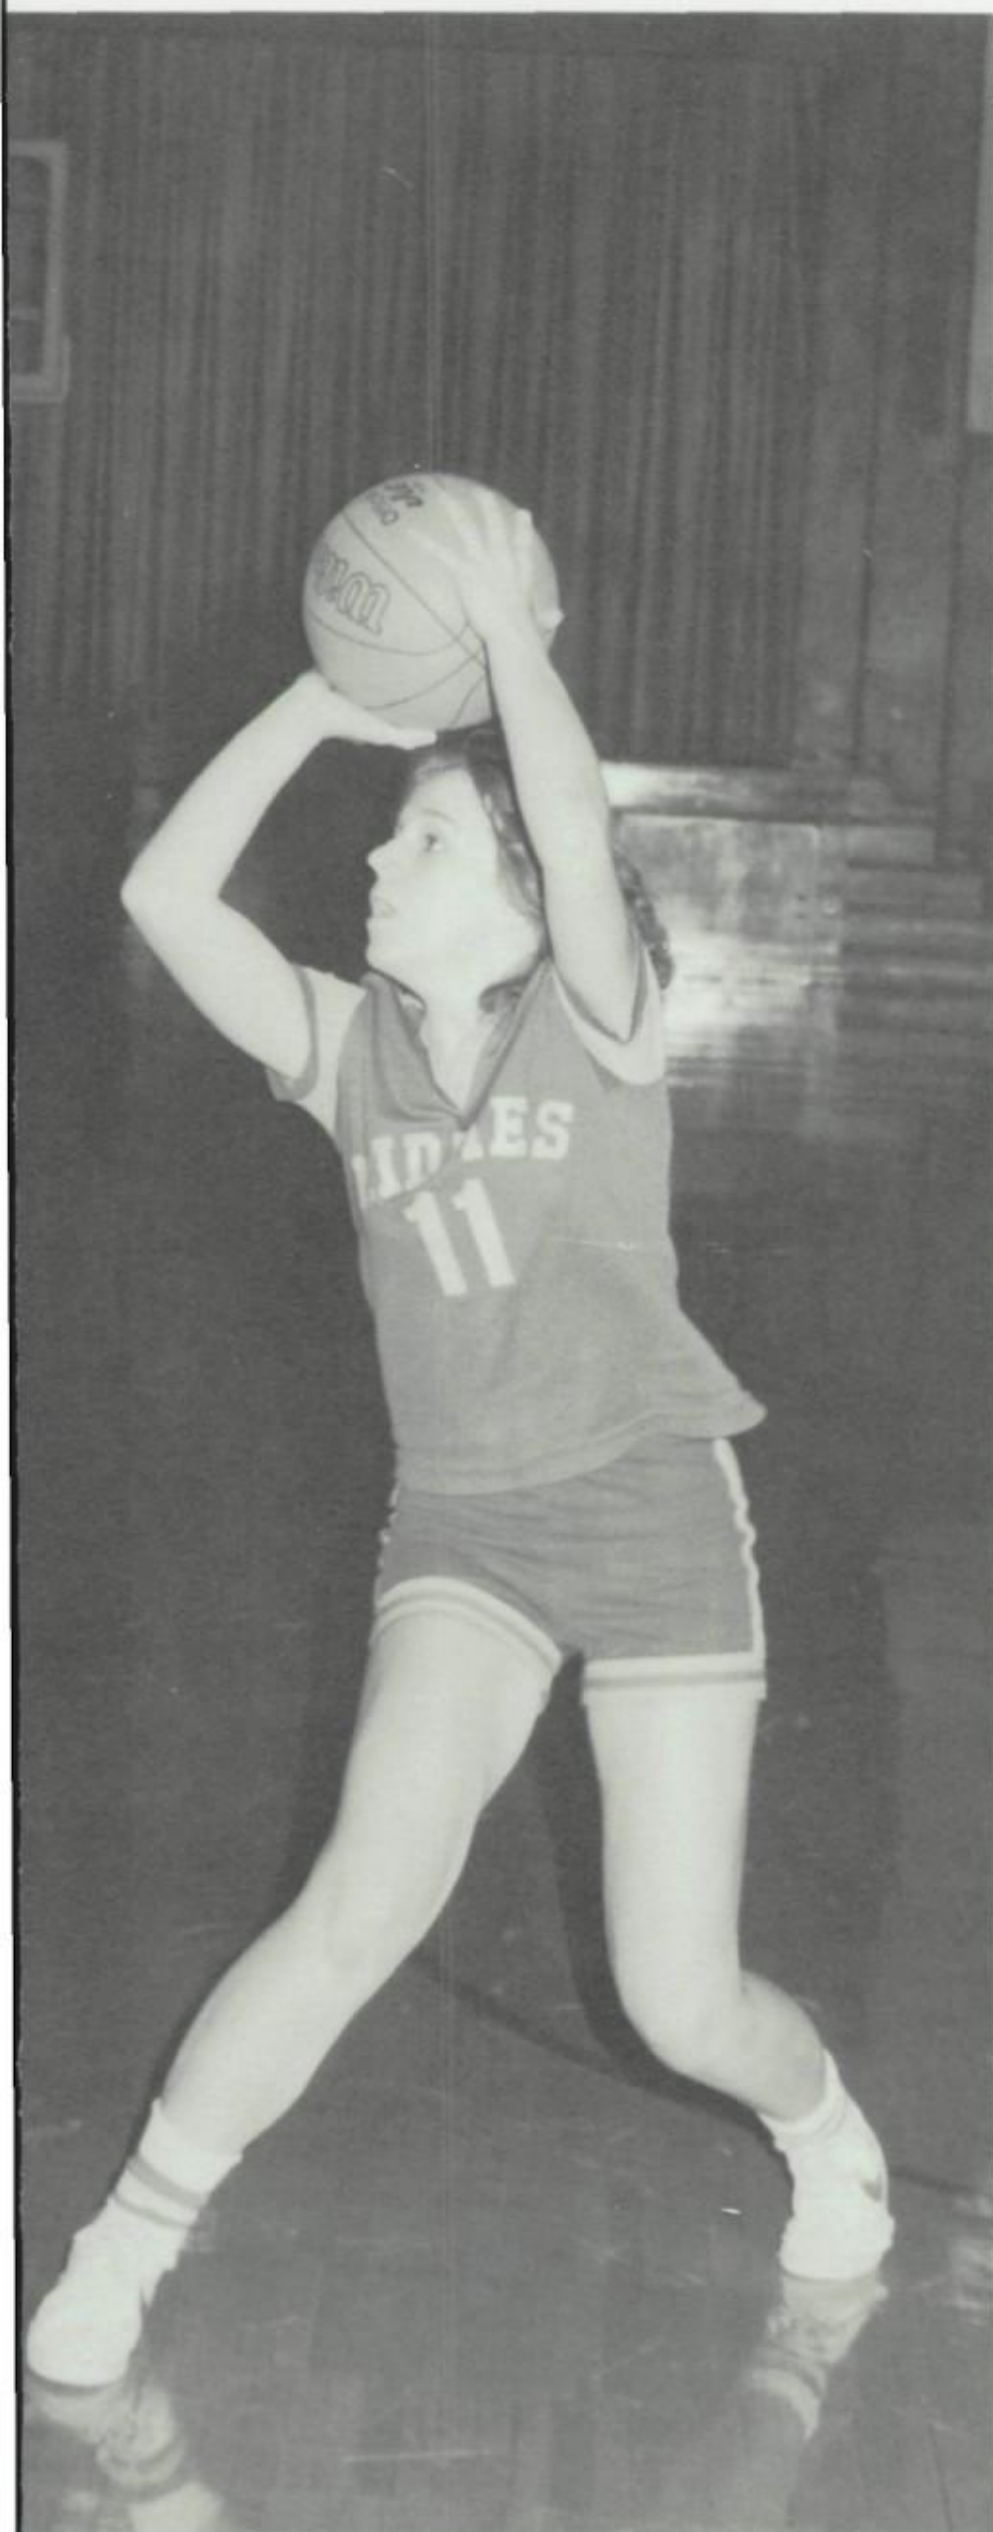

The highlight of the season occurred when the Lady Middies met the East Juniata Tigers at East Juniata. The Middies cut down a nine point deficit and ended the half down by one point. The Middies outscored the Tigers 14 to five in the third quarter. For the first time in nine years, East Juniata lost to Middleburg. The score was 49-35. Kim Hackenberg's 21 points and Cristina Dippery's 10 points led the team to victory.

The Middies hosted the annual Charles Zimmerman Tournament midway through the season. Selinsgrove, Millville, Mifflinburg & Middleburg participated in the tournament. Selinsgrove defeated Mifflinburg for first place, and Middleburg outscored Millville to claim third place. The Middies placed Kim Hackenberg on the all-tournament team.

## Wrestlers Take Down East Juniata Tigers

The Varsity Wrestling team, under first year coach, Daniel Knepp, worked hard to improve its skills. They worked many long and hard hours working on takedowns and pinning combinations. All of the hard work came through for them with a 43-15 decision over East Juniata. David Klinger, Donovan Inch, David Laudermilch, and Greg Herman recorded falls over their opponents. Keith Stuck, Wayne Kratzer, and Matt Minium had decisions, while Dana Winey won by a superior decision and Bill Klingler won by forfeit. The team finished the season with a record of 2-15.

Dale Hassinger was leading the JV team with a total of five pins. The JV record was 3-7.

## Girls Save Pennies Hold Parent's Night

The Varsity and Junior Varsity Cheerleading squads sparked enthusiasm among the wrestling and basketball teams and loyal followers.

New chants, including "We'll Swoop" and "What Time is It" and cheers such as "Let's Get Tough" highlighted the games and provided an atmosphere of spirit and excitement.

The annual parent's night for winter sports occupied the girls time. During pregame festivities, the cheerleaders introduced the players and their parents to the home crowd. The mother of each senior player and manager received a floral tribute. Following the athletic event, players, parents, and friends, along with the cheerleaders, gathered in the cafeteria for an hour of socializing and refreshments.

The cheerleaders also organized a fundraiser entitled, "A Mile of Pennies" to raise money for summer camp and game souvenirs. The fundraiser involved collecting enough pennies to measure the length of one mile. In order to reach one mile, the cheerleaders needed to collect an amount of 84,480 pennies.

The Varsity winter captain was Missie Kidd and the Junior Varsity captains were Trudi Reitz, and Jeanette Kidd. Miss Carol Rutt advised both squads.

# ACTIVITIES

*"Too much and too little education hinder the mind."*  
B. Pascal

Band, chorus, varsity club, Key Club, Student Council, FBLA, FHA, German club, Y-teens, chess club, National Honor Society, and the newspaper and yearbook staffs provide the opportunities that students need to mature and socialize.

Service organizations such as Key Club, Y-teens and the FBLA give students the ability to help members of their community and school. Through these clubs the future generation can express their willingness and desire to help the people living in the Snyder County area.

Student Council is the governing body of Middleburg High School. Through this organization students can express their thoughts and concerns about school matters.

Band, chorus, varsity club, German club, chess club, FBLA, and FFA enable students to display their abilities in music, sports, language, business, and public speaking. Although the activities are very diverse, they are all rewarding and allow for social development within each student.

## ***Crowning Highlights Homecoming Festivities***

An assembly for the entire student body commenced the 1983 Homecoming festivities. The Varsity cheerleaders opened the assembly with a pom-pom routine to the song, "Flamethrower." Varsity hockey coach, Mrs. Rita Steffen, spent a few minutes briefing the student body on the performance of the hockey team during the season. Malissa Beatty performed her rendition of "Supposed to Live Without You". Mr. Douglas Moyer introduced the 1983 Homecoming Court. Scott Umstead concluded the program by singing "I Could Never Say Good-Bye" in the presence of the entire court.

The ceremonies continued in the evening. The court appeared before the start of the Varsity Middleburg-Lock Haven soccer game. After a few moments of anticipation, Mr. Douglas Moyer announced Amy Howell as the 1983 Homecoming Queen.

A Homecoming dance held on Saturday night brought an end to the festivities. The students danced to the music of Odyssey Sound Systems.

## *School Spirit Week Adds to Homecoming*

School spirit week began with a pep rally held for the field hockey team in preparation for the final game of the season with Greenwood. Laughter arose from the crowd when members of the soccer team ran out onto the gym floor dressed as Middleburg cheerleaders. The highlight of the pep rally was a ten minute hockey game with the cheerleaders.

"Spirit of Excellence in Sports and Academics", a float prepared by the Sophomore Class, captured first place in the float category in the first annual homecoming parade. The Junior Class entered the second place float with the theme "Spirit of Homecoming." The Senior Class placed third with its float "Spirit of Halloween". The MHS band also marched through the streets of Middleburg. The homecoming representatives rode in convertibles courtesy of Selinsgrove Motors.

A bonfire was a later feature of Spirit Week. After the conclusion of the hockey game, the Varsity and Junior Varsity cheerleaders encouraged crowd spirit by doing cheers and routines.

## *Student Council Gives Distinguished Awards*

The addition of an alumni banquet in March marked another first for the Student Council. The council members felt the school should host some kind of an event to honor its graduates. Hoping to keep the alumni involved with the school, the council organized an evening banquet exclusively for them. As part of the evening festivities, the three distinguished alumni for 1983-1984 received plaques. This year's awards went to: Mr. Richard Felker, athletics; Miss Anna Winey, community service; and Dr. Carles Jones, career achievement.

Assisting council President, Tammy Mengle, advisors Alice Bricker and Charles Volchansky aided in keeping the council's endeavors running smoothly.

Fund raising for the council's projects included the sale of ham sandwiches, stockings of candy at Christmas, carnations on Valentine's Day and programs at home soccer games.

## ***Sr. High Band Plans To Compete In Canada***

With the addition of thirty-three new playing members, the Middleburg Senior High Band marched through summer parades in Middleburg, Richfield and Kreamer. The group strode to such tunes as "Feels So Good" and "Get On Down". "Stray Cat Strut", a popular song from the record charts, echoed throughout the streets in the fall.

After a busy marching season, director Ronald Renshaw initiated fund raising activities for the spring trip to Niagara Falls. The members sold cheese and sausage, trash bags, and ham sandwiches.

The band took a three day trip to Niagara Falls and stayed on the Canadian side of the falls. After competing with other bands in the Annual Blossom Festival Parade, the group visited a war museum and the scenic view of the Falls.

## *Band Front Squads Twirl To The Music*

The MHS band front, made up of flag and rifle squads, majorettes, and colorguard, added a polished look to the senior high band. The band front, which practiced at the same time as the band, made up and performed its own individual routines to the band's tunes of "Get On Down" and "Stray Cat Strut." The flag and rifle squads included the skillful techniques of side spins, figure eights, overheads, and butterflies in their routines. These sparkling routines captured the eyes of bystanders at Richfield, Kreamer, and Middleburg summer parades, and the Mifflintown Vetern's Day parade.

## ***Jazz/Rock Ensemble Entertains Audiences***

The Jazz/Rock Ensemble, directed by Mr. Ronald Renshaw, practiced one day a week and on several early morning practices to prepare for their May 24 concert. The 19 piece combo composed of trumpets, trombones, saxophones, drums, and pianos harmonized to entertain the audience with the musical selections "Centerfold," "Africa," "We've Got Tonight," and "Tragedy."

This instrumental ensemble presented excerpts from its repertoire at the March band concert. Ensemble members hoped that a preview of its musical excellence would result in a large attendance at the spring Jazz/Rock concert.

## District VII Orchestra

### Hosted At Middleburg

Middleburg hosted the 1984 District Orchestra in February. Donna Apple and Tim Pursell performed in this festival. The orchestra consisted of 85 playing members. Students and families from the community hosted the orchestra students for the length of the festival.

Six individuals attended the 1984 District Band Festival held at Bloomsburg High School. The students rehearsed all day Thursday and Friday and then presented a concert on Saturday.

Twenty-one individuals performed in the 1984 Susquehanna Valley Band held at West Snyder High School on March 23-24. The individuals practiced on Friday and Saturday and performed a Saturday evening concert for parents and friends.

# *Jr. High Musicians Have Own Concert*

The seventy member Junior High Chorus, directed by Mrs. Coleen Bidelsbach, consisted of seventh and eighth graders. These vocalists, along with the Junior High Band, directed by Ronald Renshaw, performed at their own concert this year on April 30. This gave them more time to practice and more concert time to perform for parents and friends. Some of the musical selections they performed were "I Work Upon the Railway," "Tomorrow," "Couldn't We Ride," and "Do-Re-Mi."

## Eight Musicians To Attend Area Festival

The Senior High Mixed Chorus, under the direction of Mrs. Coleen Bidelsbach, exhibited their singing talents at the annual Winter Concert on December 4, 1983. The Mixed Chorus, experiencing a large number of male members this year, performed many familiar selections. Some songs vocalized by the group included "Happy Holiday," "White Christmas," and "What Child Is This." A new sound developed when the chorus sang the songs "We Three Kings" and "Coventry Carol" to the accompaniment of the band.

During October, twelve chorus members auditioned for District Chorus at the South Williamsport High School. Eight of the students successfully qualified for the Chorus Festival at Southern Columbia High School in February. The chorus members resided with families in the Southern Columbia area during the four days of the festival.

## Ensemble Sings Musical Selections At Churches

The Ensemble, with a returning nucleus of nine members, performed for numerous audiences. The group vocalized for the congregations of the United Church of Christ and the Emmanuel Lutheran Church at Rally Day services. Among the songs harmonized by the group were "Power and Glory," "All My Trials," and "Do Lord."

This select group performed the songs "Rose of Sharon" and "Sanctus" at the December 4 Winter Choral Concert and the school's Christmas assembly.

## *Junior Staff Publishes Newspaper, Yearbook*

Scheduling class time for the *Monitor Jr.* staff was a problem that was not solved by the computer. Theoretically, the newspaper staff met three times during a cycle; however, the entire staff had only one meeting per cycle to actually work as a group. Due to this type of scheduling, much of the writing, typing, and paste-up took place during study halls.

The editorial staff did several outstanding editorials dealing with problems of the school. Editorials dealing with use of the cafeteria before homeroom and exam schedules spark student interest and comment.

The junior newspaper staff had the responsibility of publishing the paper during the first semester while the senior staff worked on the yearbook. In February the two staffs switched roles.

## Monitor '84 Staff Has Difficulty With Funds

The '84 *Monitor* Staff, consisting of twenty-one hard working seniors, had an uphill battle finding the funds needed to finance a yearbook. The staff began collecting money during the junior year by visiting area businesses and asking for ads or contributions. This school year began with staff members collecting patrons from fellow students, relatives, and individuals throughout the community.

Writing copy, drawing layouts, and cropping pictures all became tasks necessary for the approaching deadline. With all hands busy the staff met deadlines by February and distributed the finished product in May.

## Varsity Club Raises Money For Jackets

The main goal of the 1983 Middleburg High School Varsity Club was to raise money for athletic jackets.

Athletes accumulated points throughout the years through active participation in sports. This system applied to players and managers in both boy's and girl's athletics. For a one sport participant to earn a jacket he or she had to earn 11 points. For athletes playing in more than one sport he or she had to earn 15 points for a jacket.

The club started the year by selling seat cushions. They also held a volleyball tournament and sold decorative candles as additional fund raisers.

## *Honor Society Holds Induction Ceremony*

After the juniors met the induction criteria of having a 3.4 grade point average and participating in one activity, the induction ceremony on October 23 cordially welcomed the twenty-one new members. The Master of Ceremonies, Bum Stead, otherwise known as Scott Umstead, showed baby pictures of these twenty-one unsuspecting contestants. Bum Stead called them to the stage, where they answered a question to show their wisdom. The next day, these new inductees wore paper caps to illustrate the fact that they were the newest members of the National Honor Society.

## Key Club Sponsors

### Dances, Jazz Concert

Faced with a small amount of money, the Key Club started the year with a lollipop sale in school. The members sold various flavored lollipops to the student body, who eagerly bought them.

Next on the list, the club revived its once popular cider sale. Sixteen club members spent an entire day gathering apples at a local orchard. Sports fans bought the cider at home games.

Some community projects included distributing Christmas baskets to the needy families in the area. Numerous canned goods and a ham bought by the club constituted one basket. Prior to Christmas, the club sponsored a party at the Selinsgrove State School and visited the childrens ward at the Sunbury Hospital.

During the school year, the club also sponsored a concert by the group *Recreation* and the 4.5 mile Spring Run in May.

## ***FBLA Serves Area, Develops Leadership***

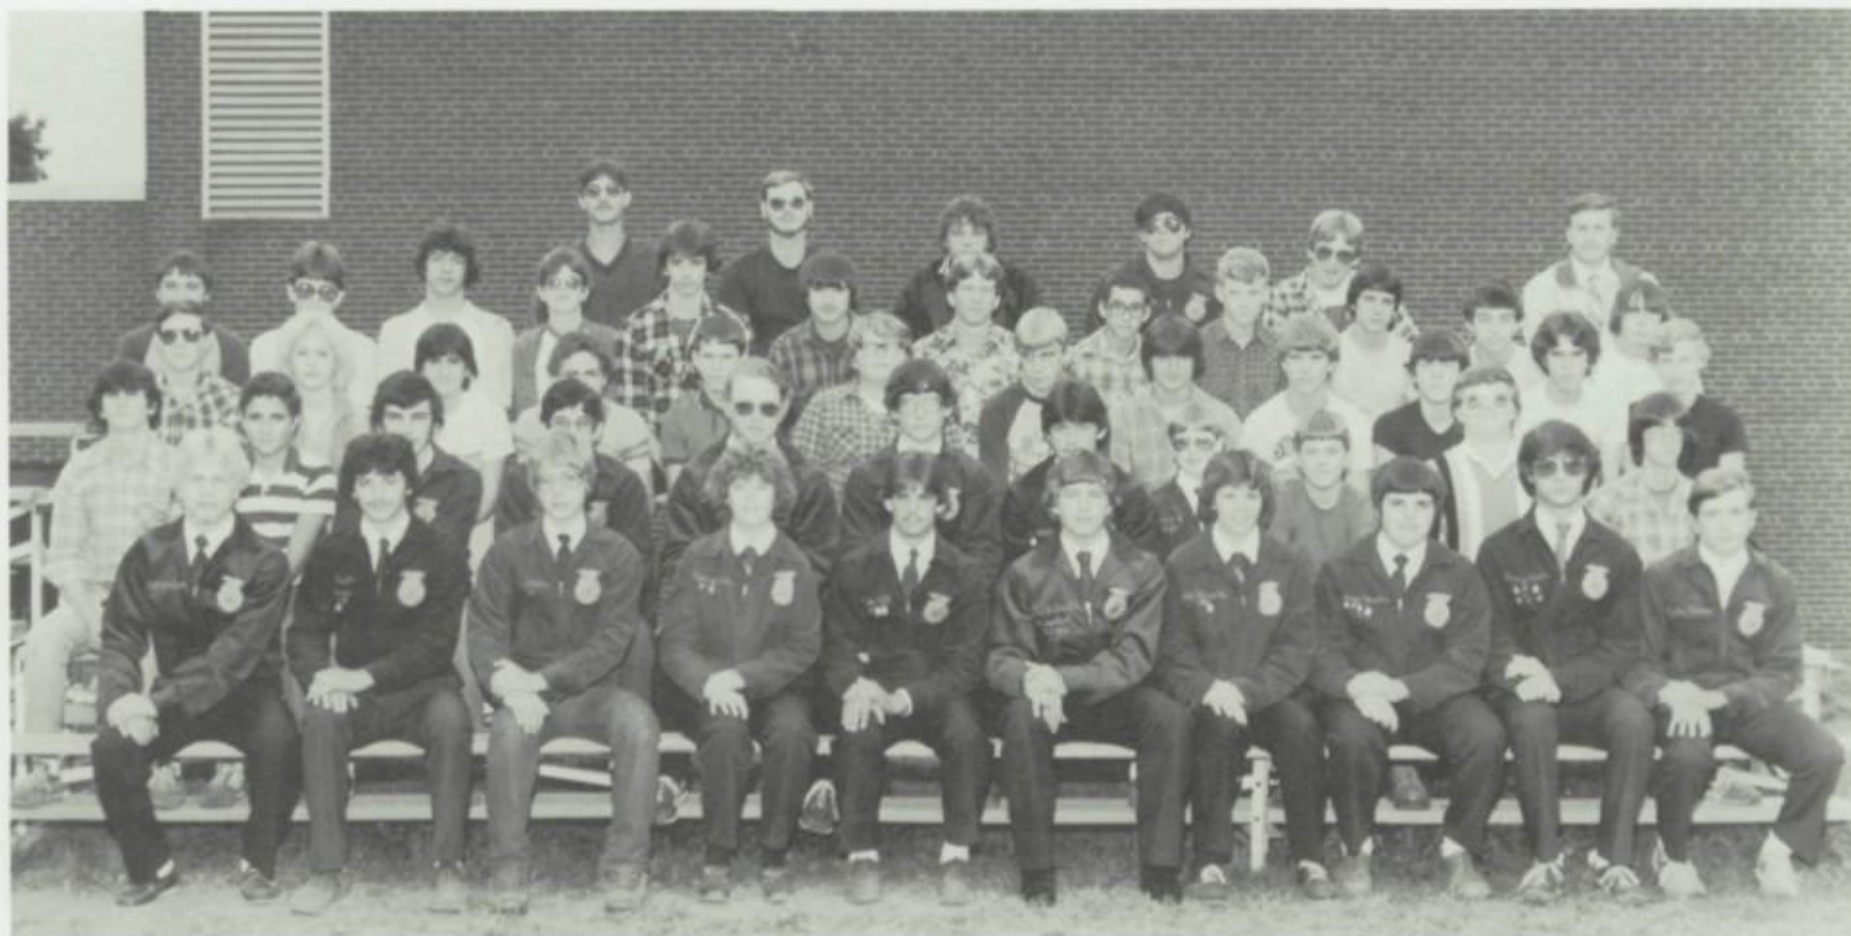

The fifteen members of the FBLA organized many activities to enhance leadership qualities in the club members.

The most important activity of the year was a Rally at Shamokin Area High School. The members won the name card contest which consisted of making and designing individual name cards. The members participated in several workshops including personality, raising money, etiquette, and speech writing.

The club celebrated the holidays by having Halloween and Christmas parties. The members visited the Doctors Convelescent Home and made the patients Christmas cards and cookies.

## ***Future Farmers Plan For State Convention***

With 50 members, the Middleburg FFA Chapter began the 1983-1984 school year. The chapter, advised by Mr. Leroy Dreibelbis and Mr. David Bailey, sponsored several fund raising events, two of which were the citrus fruit sale and the annual donkey basketball game. The citrus fruit sale ran during the month of December. In February, the annual donkey basketball game gave the FFA members and the faculty a chance to challenge each other to a simple game of basketball while riding donkeys.

The money earned from these fund-raisers paid for the FFA members to attend such events as the annual farm show in Harrisburg, the national convention in Kansas City, Missouri, and a visit to an Agriculture Research Center in New York.

## *Health Careers Club Trains Future Nurses*

The Health Careers Club was an organization in which students planning occupations in the medical field could broaden their spectrum. Nurses from Allentown Hospital and SUN Home Health talked to the members about pursuing a medical-related career.

The club sponsored a bloodmobile on March 12 at the Emmanuel Lutheran Church. The club members assisted with this project by acting as receptionists and assisting with the canteen.

In November the members traveled to the Selinsgrove State Center and addressed Christmas cards to give to the patients.

## ***FHA Members Assist In Community Events***

The Future Homemakers of America contributed to several area projects this year. The purpose of the club to give young adults a better understanding of themselves by encouraging involvement in school and community affairs.

The twenty-three members, headed by Mrs. Sue Fisher, attended an FHA rally at Camp Mt. Luther in September. The area clubs discussed teen-age suicide, the theme of the rally.

Both young and old benefited from the services of the homemakers. The members prepared a Christmas program for a nursing home and assisted with a nursery school at Emmanuel Lutheran Church one day a week.

The Jr. High FHA prepared Christmas baskets for shut-ins. Another activity was an exhibit in the annual Beaver Fair.

### *Dramatical Techniques*

The Theatre Arts Club performed a parody of the Night Before Christmas for the entire student body for the Christmas assembly.

The 42 members listened to three theatre experts talk about acting, dress, and make-up during their meeting time of Activity A. They also practiced and performed skits that the members wrote and Mrs. Bidelsbach and Mrs. Volchansky directed.

The fall play entitled "The Lost Flight," was a play which revolved around the passengers on a plane that was never to land again. The Theater Arts Club presented the play on November 15-16.

# Studies

*"There shall be education in this land." J.M. Barrie*

Each of us, as students attending MHS, had the opportunity to determine our course of study. This permitted us to design schedules reflecting our own interests and goals. At first, as junior high students, we had little choice, as the guidance department developed schedules for us which would fulfill credit requirements while introducing us to fields we might decide to study more specifically later.

Before entering the ninth grade, however, we decided whether the academic, business, general, or vocational agriculture courses of study were best suited for us. Later, attaining the status of juniors opened up the possibility of intermingling academic and business courses.

Seniors had many choices. With only a few required courses, many seniors had the option of scheduling classes in the morning and working in the afternoon. Others chose to attend vocational-technical school. Business students learned secretarial duties while assisting the teachers as student secretaries. Regardless of the decisions made, the students, working together with teachers, guidance counselors, and administration, prepared for future lives — each striving to attain individual goals.

## *Administration Devises Changes in Bussing*

Providing a curriculum which met the needs of both students and community was prominent in the concerns of both administrators and the Board of Education. In the on-going process of curriculum development, Dr. Barry Smith and Mr. William Reader worked with the faculties and administrations on both the elementary and high school levels to create an adequate curriculum.

Planning in-service programs for the entire teaching staff was one of the responsibilities of Dr. Smith while Mr. Reader coordinated the funding of federal programs.

With the opening of school in August came the problems associated with school bussing. Due to the high cost of student transportation, business manager, Mr. Joseph Bruno along with the other administrators devised alternative bus routes, thus eliminating some bus stops and changing bus routes.

*OPPOSITE PAGE:* Superintendent Dr. Barry Smith. *BACK ROW:* Assistant Superintendent Mr. William Reader, Business Manager Mr. Joseph Bruno. *TOP:* Board of Education. *FRONT ROW:* Arthur Musser, Lynn Bowersox, Howard Benner, Jr., Charles Bobb, Helen Frey, Secretary. *BACK ROW:* Byron Hassinger, Barry Callendar, Robert Anderson, Harvey Creamer, Jr., Attorney, John Moore, and Albert Apple. *LEFT:* Administrative Secretaries. *FRONT ROW:* Shirley Shenk, Helen Frey. *BACK ROW:* Francis Dreese, Robin Butcosk, Ellen Burr.

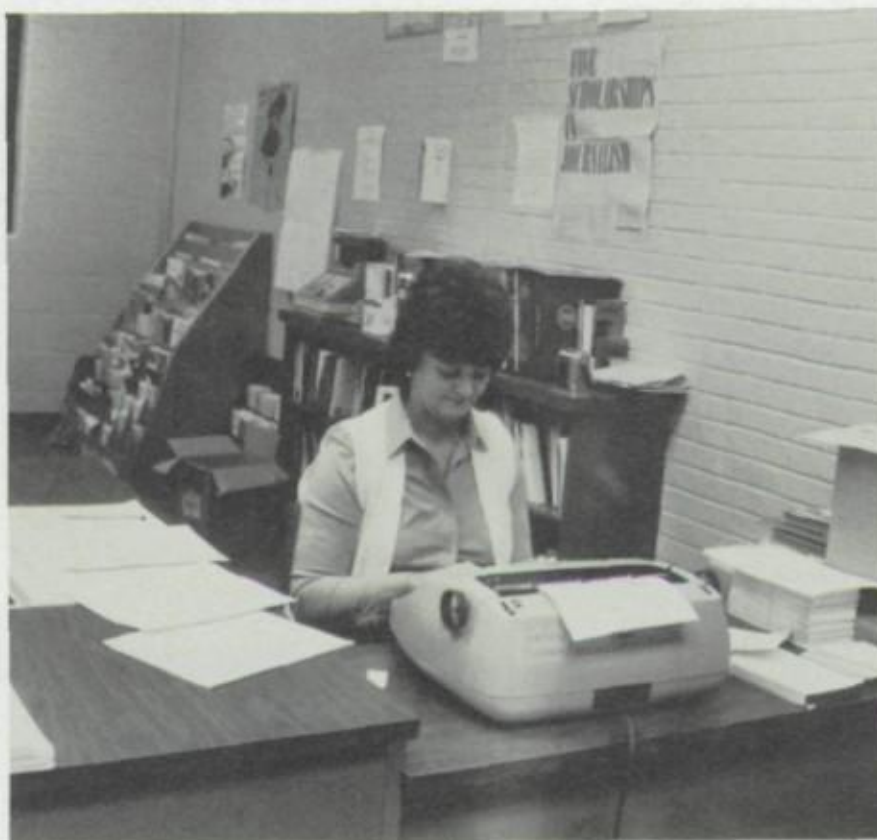

## *Principals Share In School Responsibilities*

Mr. Coombs and Mr. Apple held the positions of principal and vice-principal this past year. Principal Charles Coombs' year consisted of scheduling, teacher and staff supervision, counseling students, and overseeing care of the physical plant. Mr. Coombs' personal goal was to help the students gain responsibility through self control as opposed to a series of rules and regulations. He felt, however, that this was not always possible.

Mr. Robert Apple's specific responsibilities included attendance, transportation, discipline, and athletics. As athletic director, Mr. Apple scheduled games in their appropriate seasons and acquired referees for all home clashes. He also postponed any and all games when he considered weather conditions too dangerous for travel.

# Language Arts Sets Stress On Literature

An emphasis on composition was the main objective of the English department. Writing legible and comprehensive sentences followed by coherent paragraphs was the primary objective of the junior high teachers and students.

Literature also played an important part, especially in the senior high curriculum. The academic program emphasized American Literature and English Literature while short stories, plays and novellas highlighted the business, general and agricultural programs; however, the teaching of literature did not preclude the teaching of vocabulary and composition.

The aim of the English Department was to produce a graduate who was literate in both oral and written expression.

## History Studies Vary In Different Grades

The sociology section of the senior history class discussed the psychological studies of Freud and Erikson. It also delved into culture, discrimination, and the study of society as a whole. A research paper discussing a social problem currently facing America was a requirement of the course.

The past year marked the second year for the cultural geography course apted to all seventh graders. This study involved the continents of Africa and Asia, islands of the Pacific, and the Soviet Union.

It also was a time for change in regards to American Cultures and World Cultures classes. These two classes, which had formally been taught as World Cultures in tenth grade reversed their positions.

## *Teachers Emphasize Usage of Computers*

In the math department, the emphasis was on computers. The teachers tried to stress that today's world is becoming more and more computer oriented, and that graduates with highly technological backgrounds were in demand. To help the students acquire this background, the instructors started by informing them of this skill which led to the student production of individual programs.

Mr. Marlin Yoder joined the mathematics department in October. Mr. Yoder taught eleventh grade plane geometry and twelfth grade advanced math. Mr. Yoder's twelfth grade math class studied college style math. This consisted of trigonometry, calculus, and the use of imaginary numbers.

## Alterations Made In Science Department

There were some familiar faces in new places within the science department this year. Mr. Weaver, who formerly taught biology, replaced Mr. Stauffer, who taught life science in seventh grade. Mr. Stauffer moved to the IPS course in eighth grade. Miss Bricker switched from the IPS course to biology. Her classes included tenth grade biology and advanced biology. Mr. Fisher remained the instructor of the ninth grade earth science course. Mr. Winey divided his time between Chemistry I, Chemistry II, and physics. He also taught one biology class.

The teachers received their new teaching assignments based on certification and interests. Along with the new schedules, the teachers had less class time with their students. The new scheduling necessitated the elimination of double period laboratory sessions.

## Students Participate In Contract Phys. Ed.

Mrs. Rita Steffen filled the vacancy in the physical education department created by the leave of absence of Mrs. Mary McClellan. Besides teaching gym and health classes, Mrs. Steffen was also head coach of the field hockey team.

There was an addition to the physical education department this year. Richard Shamburg, a student at Lockhaven University, taught under the supervision of Mr. Jim Aurand. As a student teacher, Mr. Shamburg was responsible for teaching health classes. He assisted with the tumbling unit and was responsible for developing a unit to teach the fundamentals of volleyball.

Students participated in a wide variety of recreational activities during gym class. Badminton, volleyball, soccer, basketball, gymnastics, track and field and softball were a few of the choices.

Due to the scheduling problems this year, several of the upper classmen did not have gym class on their schedules. These students along with the Vo-Tech students, enrolled in contract phys. ed. They received a physical education form with a list of activities. Members of the phys. ed. staff required these students to complete one activity each week and then present the form to the teacher each Monday morning.

## *New Equipment Aids Business Department*

Office workers faced a new world of everchanging technology. Since the introduction of the first word processing hardware, technology led to an explosion. This explosion gave the office worker new challenges — challenges in adapting technology in order to increase productivity in the office. A look at the future indicated that this trend would continue, which made it imperative that the students at Middleburg High School used the best, up-to-date textbooks and equipment in order to compete for jobs with students from other schools. Middleburg High School introduced new business equipment, which included an IBM word processor, electronic office typewriters, and microcomputers.

# Students Show Pride In Course Projects

Home economics students learned the fundamentals of cooking and sewing after which they worked on individual projects. Along with this, the Home Economics class developed a sense of individual pride from the projects they created.

Industrial Arts students learned practical arts skills which included working with tools and machinery. Each student worked on an individual project. The teachers also taught the importance of consumer awareness.

The vocational agriculture students learned skills in school and practiced these skills at home with their animal husbandry projects. One of the vocational agriculture's course requirements was to raise an animal or have a conservation project.

## Arts, Languages Help Develop Inate Abilities

Junior high chorus, senior high chorus, senior high girls' chorus, and ensemble made up the list of vocal groups while junior high band, senior high concert band, marching band, concert ensemble, and the "Jazz/Rock Ensemble" rounded off the instrumental offerings.

Junior high and senior high had very interesting and somewhat differing options in regards to art classes. Junior high classes stressed basics; while senior high classes expanded on these basics and developed new skills.

With the needs of the career conscious student in mind, emphasis of the Spanish curriculum was two fold. Beginning with the conversational offerings in grades seven and eight, the students received an introduction to basic pronunciation and listening skills necessary for continued success in Spanish I and II.

The classical language of Latin lent its own elements of importance to the language curriculum. In addition to the study of the syntax, students also examined the broad spectrum of our Roman Heritage.

German stressed conversational speech and strong knowledge of the language, and at the same time emphasized the culture of the German people. Cultural activities included cooking and eating German foods and the singing of German songs.

## Teachers Help With Particular Subjects

The guidance department, whose staff included Miss Rutt and Mr. Goldsworthy, provided a source of career and college information for the students. The counselors also helped the students with individual problems and concerns.

Every student utilized the library at one time or another. Miss Pecht supervised the library as well as instructed the seventh grade students on how to make proper and good use of the library. Miss Pecht's other duties included running a book fair in the fall and being a Senior Class advisor.

Mr. St. Clair's objectives were to make students safe and knowledgeable drivers. Due to changes in school board policy, actual driving by the students had to be done during non-school hours and the students paid a twenty dollar laboratory fee. Fortunately, classroom instruction still occurred as a regular class for all sophomore students.

## ***Janitors and Cooks Essential at School***

The team of custodians, led by Russell Hornberger, kept busy each and every day. In the summer, fall, and spring the janitors made sure they mowed the lawn and athletic fields. In the winter, the custodians plowed snow from the parking lot and cindered the ice on the walks. As year round duties, the janitors emptied waste paper cans, repaired broken windows, and kept the floors clean.

The cooks, headed by Phyllis Houtz, served lunches at 10:52, 11:39, and 12:26.

The renovation of the cafeteria provided for faster student access in the serving lines. Even though the two serving lines improved behavior in the lines, behavior in the cafeteria was somewhat disruptive. As a result, seventh and eighth graders received assigned seats.

# SENIORS

*"... the excellent lies before us." I. D. Israeli*

Members of the Class of 1984 made their own memories throughout their school years. Many participated in sports teams that were able to achieve winning seasons, even breaking previous school records in the process. Others pursued interests in music, competing for places in Susquehanna Valley Band and district and regional bands and choruses. Still others looked toward academic achievements and awards. Often seniors chose a combination of these and other activities. Regardless of the activities they selected, each senior realized the necessity of hard work to attain his goals.

Hard work was a necessity for the seniors. Teachers, friends, and employers required it, but more importantly, many seniors demanded it of themselves. They were striving for the excellence, hoping someday to find that — the excellent lies before them.

Mr. Moyer assigned each student enrolled in office practice to a teacher. These student secretaries completed various jobs for their teachers such as typing, duplicating, and photocopying. The office practice students also took turns learning office procedures on the machines at the District Office.

Six seniors from MHS were among the counselors who assisted at the Outdoor Education for Middle-West fifth graders at Camp Mount Luther. The counselors slept in the cabins among the students and helped teach lessons about nature.

Class officers planned and carried out many activities among which were a class trip, a float for the Homecoming parade, and the post prom. To meet the costs of these activities, the class officers organized fundraisers. Receipts for magazine sales also enriched the class coffers.

The class advisors assisted the four officers by providing needed advice, helping to plan the class trip, and explaining the procedures involved with carrying out the duties of their office.

# Seniors Make Good

## Use of Free Time

Due to errors in the newly initiated computer scheduling, confusion ruled during the first few weeks of school. Dazed seniors shifted from one study hall to another and sometimes wandered around all period trying to discover where they belonged. A few days into the school year, students began reporting to the auditorium where Mr. Coombs assigned each grade to a room for a study hall. Finally after all the chaos and confusion cleared, the seniors received a chance to use free time to their advantage.

## *Class of '84 Enjoys Fun Outside School*

Seniors developed responsibility through jobs that they held throughout the school year. Some worked in fast-food restaurants, at swimming pools, for local merchants, on construction projects, and at the mall. These people carefully balanced schoolwork with jobs.

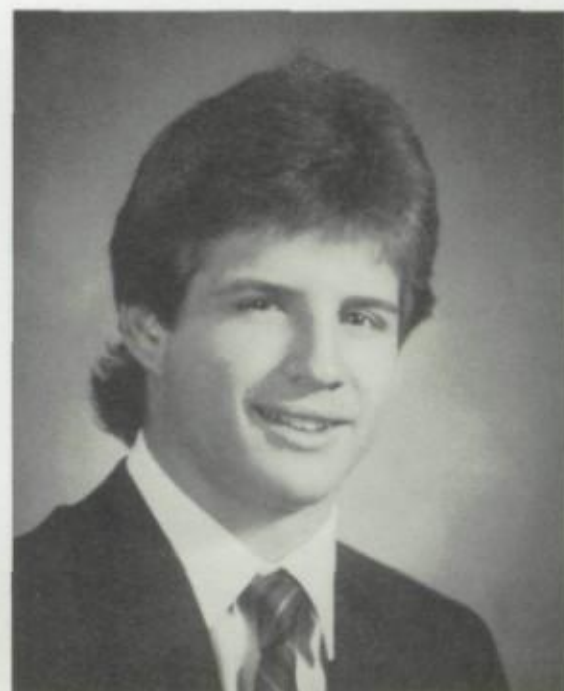

When there was free time outside of the classroom, many twelfth graders could be found enjoying it. Favorite activities included hunting, going to movies, playing video games, bowling, roller skating, and attending high school sporting events.

## ***Seniors Get Ready For Jobs, College***

With graduation less than one year away, many seniors prepared for their life after high school. A total of 55 twelfth graders went to the SUN Area Vo-Tech school to gain training for jobs in agriculture, carpentry, cosmetology, art, data processing, diesel and auto mechanics, masonry, printing, and welding.

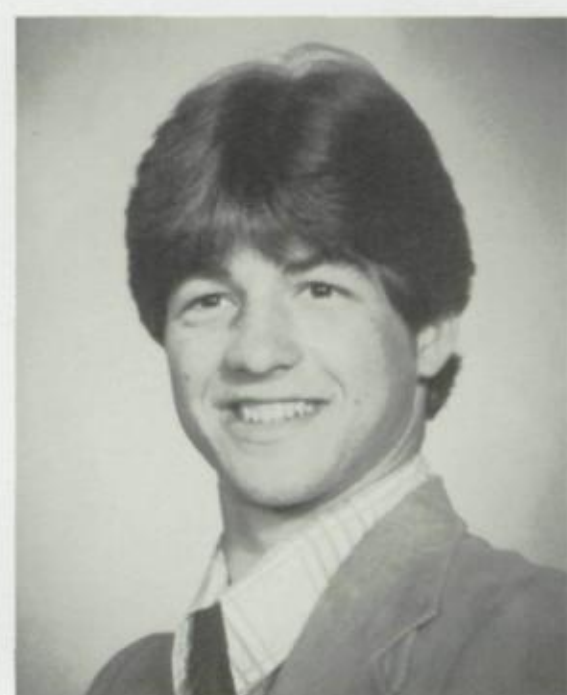

Students who wished to study medicine or nursing dissected cats in Advanced Biology. Advanced Chemistry students did lab reports on all experiments. Some talked with guidance counselors and applied to colleges.

# *Lunch Period Gives Much Needed Break*

Many of the seniors enjoyed lunch time in a variety of ways. Some of them got a chance to talk to friends that they did not see all day. Almost everybody ate some type of lunch, and some made it their job to make sure that no french fries went back to the cafeteria.

The Class of 1984 also bought M&M's, candy bars, lollipops, and other edible items from school groups to supplement the treasury. Others tried to use the period to study for upcoming tests in the day.

## ***Class of 1984 Deals With Changing Society***

Despite the bad publicity that computers received early in the year with the confused scheduling, computers and other examples of artificial intelligence have found their way into MHS. Some seniors spent time learning how computers work, and how to program them. One person designed a program to do vocabulary.

Seniors enrolled in the business curriculum used data and word processors to edit written manuscripts. Sociology class spent some class time discussing current issues, thus teaching the Class of '84 about the changing world.

# *Seniors Divide Time Between School, Job*

Seniors not only excelled in the school but also outside the realm of the school. Many of them held down full-time as well as part-time jobs.

They also showed their ability in community groups. They enjoyed 4-H, boy scouts, junior firemen, and many other clubs.

Perhaps the most important non-school activity seniors participated in were those of their church. These activities ranged from membership in their church choir to participation in youth groups.

## ***Assorted Activities Involve Class of '84***

The percentage of involvement in extra-curricular activities was high for this year's seniors. Seniors not only excelled in the classroom, but also in athletics, musical talent, acting, and in other organized clubs.

Soccer players, hockey players and spectators of the Class of '84 greeted with enthusiasm the new lighted athletic field. The MHS band with its contingent of 29 seniors entertained many people with summer parades at Middleburg, Richfield, Creamer, and other places around Snyder County.

## *Seniors Dress Up, Show School Spirit*

Dress-up days sponsored by the Student Council were popular with the Class of 1984. The twelfth grades enjoyed the change of pace offered by the wearing of unusual clothing. Favorites included Blue and Gold Day, Halloween, Sweat Suit Day, and Look Your Worst Day.

During Homecoming, six unshaven cheerleaders roamed the halls and inhabited the classrooms of MHS. Deanna, Roxie, Willamena, Rachelle, Mitzi, and Desra showed their spirit cheering for the field hockey team during a pep rally.

## *Class of '84 Reveals Hidden Talents, Skills*

Most seniors realized that they did have some type of talent unique to each individual. As soon as they discovered that talent, the members of the Class of 1984 did their best to make good use of it.

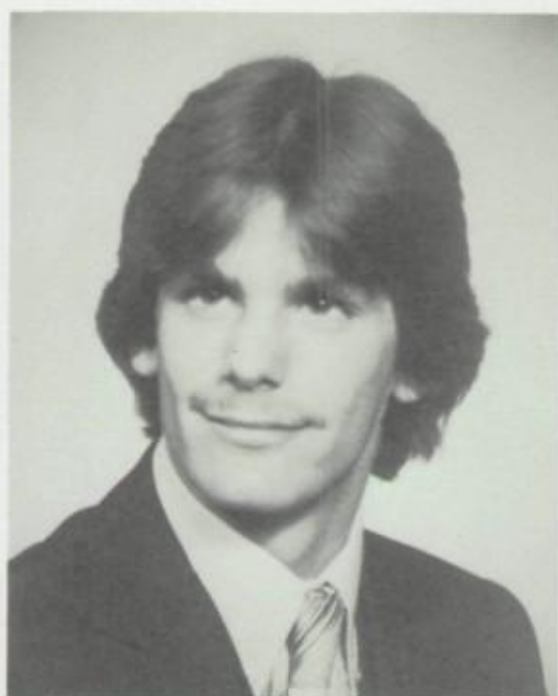

Some seniors had a propensity for chess, art, tennis, backgammon, body conditioning, and coin collecting. Others realized that government was in their blood and participated in Student Council. Some recognized a special gift in certain academic subjects, such as math, chemistry, agriculture, and others.

# CLASSES

*"He has hope, — the hope of happy inexperience." C. Dickens*

Every class at MHS possesses certain characteristics that make it unique. However, within each class there lies the memories of each year.

The first year at MHS is an experience for all seventh grade students. They must adjust to changing classes and being the smallest once again. The massing of three elementary schools also presents a time to develop life-long friendships.

Eighth grade is a time for students to begin considering future goals. It is during this time that they become the controlling factor of their futures.

The freshman year is one of numerous decisions. Each individual must choose a beneficial course of study to fit his or her own needs.

The sophomore year is also a time of decision making. Not only must students make crucial course selections but they must also deal with social decisions. Prominent among these is the purchase of the class ring.

Juniors face many decisions concerning their futures such as choosing between remaining at home school or venturing to Tech to pursue a vocation.

Over the years at MHS, each student acquires special memories. These memories remind them of the fun and carefree years of high school.

# *In Memoriam*

Kelly Yerger  
March 17, 1969 — October 18, 1983

Vickie Yerger  
April 3, 1968 — October 18, 1983

There comes a time  
When we must say,  
Goodbye to earth  
And go away.  
Forced to leave our friends behind,  
To carry on when we are gone.  
Please my friend don't fret or frown;  
I shall watch over you —  
By guiding in those sleepless nights,  
And leading in your every fight.  
For one day soon  
We'll meet again;  
And together we will be  
Until the end.  
Never shall we be apart,  
For I'll always hold you in my heart.

Michelle Bowersox

Shelly,

To one of the prettiest  
girls I have ever liked  
who I just got to know  
really well over the  
summer. Never forget  
the fun we had at  
the pool and at Robbers.  
Those were some great  
times. I'm just sorry  
I messed everything up  
between us. Best of  
luck in your future  
years at M.H.S. because  
they go so fast.

Shelly,

To A very Nice, sweet, pretty, and very crazy  
girl I got to know really well over the summer.  
Remember all of those great times we shared at  
Soccer games, hockey games and those exciting  
classes we shared in the Library. Also remember all  
of those wild times we shared at the swimming pool.  
and especially those wild splash hops. They were  
exciting. Also remember that time you and Steph came  
out to the house and you chewed Levi Garrett that was  
funny. I wish you the best of love, luck, and happiness  
the world has to offer you because you deserve it.

Love,  
Matt

# PATRONS

"We have learned to be citizens of the world, members of the human community."

F.D. Roosevelt

The community surrounding MHS supported the school, its students, and its activities. The cheering fans at sports events, the well-attended stage productions and concerts, and the opening of homes to house district orchestra members were only a few examples of the support we received from the community.

Financially, the community helped to build Middleburg's first lighted athletic field. The members of the community also supported school clubs and activities by assisting with fund raisers. Businessmen and farmers across Snyder County employed many of our students while supplying us with the goods we needed and desired. Others provided scholarships for deserving seniors.

The people which make up our community have paved the way for us, making things a little easier for us as we strive to improve the community and the world for the next generation. They have also provided us with the opportunity to achieve those goals through their support of us and our efforts within the school and the community.

# Reagan: Marine.

By Mike Feinsilber  
 Associated Press writer

WASHINGTON — The Marines will stay in Lebanon, President Reagan has told a nation mourning the deaths of young servicemen to an unseen enemy and a Congress souring on the peacekeeping mission that sent them there.

Even before he knew how high the death tolls would climb from a truck-bomber attack on sleeping leather-necks at the Beirut International Airport, Reagan decided he could not

now abandon the Marines' year-old mission.

Lights burned late on a rainy Sunday in a sober capital as Washington officialdom conferred and the president met with his senior people to chart a response and, if the provocateur can ever be identified, retaliation.

While the Pentagon prepared to perform a grim wartime ritual — the sending of death notices to the homes of 161 Marines and sailors — Reagan dispatched spokesman Larry Speakes

to give the response.

Jordan said up to 300 Americans may have been sleeping in the four-story command center at the airport when it was blown up early Sunday by an estimated ton of TNT in a red pickup truck driven by a suicide terrorist. He said "about 80" American troops were wounded.

The blast destroyed personnel records in the building, but a duplicate set was kept aboard a 6th Fleet ship off Beirut, said Pentagon spokesman

and the president sent the Marine Corps commandant, Gen. Paul X. Kelley, to Beirut to review "ways to provide better protection of the Marine contingent."  
The Pentagon, officials said, is studying two possibilities: shutting Marines to offshore vessels when they are not on duty to make fewer men vulnerable to attack at any one time, and expanding the perimeters of the territory protected by U.S. forces to give those within greater security.

CAMDEN, N.J. (AP) — A 25-year-old pregnant woman is being held without bail, charged with drowning her two youngest sons in a polluted river that is being dragged for the bodies of her two other children.  
Jeanne Wright wept throughout a hearing in Superior Court here as she was charged with the murder of her youngest child, Juan Jose, whose body was pulled from the muddy Cooper River Tuesday — his first birthday.  
She also was charged with the death of Jonathan, 34 months old, whose partially decomposed body was found beside the river on Sunday by a gas station attendant who worked

Meanwhile, rescue workers from a half-dozen communities were scheduled to resume dredging today for the bodies of the other missing children — Janah, a 7-year-old girl, and another boy, 5-year-old Amelio.  
Camden County First Assistant Prosecutor Dennis Wixted refused to speculate on a motive in the case.  
But Miss Wright's mother, Irene Wright, 58, who sat in the courtroom sobbing during Tuesday's bail hearing, told reporters she believed her daughter feared that the father of the children was trying to kidnap them and she had gone to the river to hide from him.

## Ruins

The Richmond Hill Mental Institution is in ruins after the bombing of Grenada last week. U.S. jets bombed

the building, not knowing it was a mental hospital. The bombing was part of a battle around nearby Fort Frederick.

## Hospital hit by mistake

ST. GEORGE'S, Grenada (AP) — U.S. helicopters buzzed a sniper on one of Grenada's hills while searchers 45 miles away cleared the rubble of a mental hospital where at least 10 patients were killed when U.S. jets bombed the facility.

The helicopters swooped in low over the treetops after sniper fire Monday and U.S. soldiers scrambling for cover.

Despite the sniping, 200 Marines were leaving the island after their original assignment there being diverted to Grenada. U.S. Army soldiers were being placed in a base after the U.S. invasion of the 133-square-mile Caribbean island.

An air-bombing of Richmond Hill Institution, 12 bodies have been recovered, said Navy Cmdr. Tom Hiltz, who supervised the search.

Two hospital administrators, Roberts and Clement Gabriel, said 25 to 30 people were killed in the attack. The Pentagon disputed news accounts which estimated the dead at nearly 100 and government officials later said the fatalities numbered about 100.

The Pentagon said that during the first hours of the invasion, U.S. troops encountered sniper fire from Fort Frederick, 500 yards from the hospital. The neighboring hill overlooking St. George's harbor.

To counter the attack from Fort Frederick, the Pentagon said, U.S. troops began a bombing strike "not knowing that there was a hospital in the complex." The hospital officials said the fatalities occurred in the two wings closest to Fort Frederick. Defense Secretary of State James

Dam said Monday night there was no timetable for U.S. troop withdrawal because it was not known when all the resistance would end.

Capt. Barry Willey, an Army public affairs officer in Grenada, said he knew of no bands of resistors still fighting on Monday, but added that soldiers combing the island were finding more caches of weapons and ammunition.

"I don't want to mislead you that the island is now secure," Willey said. "Vehicles with loudspeakers fanned out over the roads, blasting this message over and over: 'Members of the People's Revolutionary Army, Cuban defenders. Lay down your arms and surrender. You will be allowed to go home. Gen. Austin has surrendered. The resistance is over.'"

I ever had. never forget all our memories

we shared together in our past years that

we known each other the first time

met, which we met at the pool. never

forget the fabulous moment we shared. And

where our school where we continued on with

our friendship and hope that it lasts

forever and ever cause I need your kind of

friendship. never forget our 8th grade year

where we came close friends. never forget

how you helped me through the period

when I was in love with Randy. And

how you stood by me when I needed

someone to talk to and someone to lean

on for comfort. never forget those soccer

games that we went to. And our fabulous

hockey team of ours, that were apart of.

They'll probably retire our numbers #38 & #45.

never forget our neat hockey base where

everyone was singing. never forget that!

when I came over to your house when

we went for a walk. And when we curled

up for an hour! never forget our great

moments we had together and super great

## Memories

remember our great times together when  
we had so much fun together, and  
always will. Our magic times will

The 1984 *Monitor* Staff shares many memories as a  
result of the hours they spent together working to-  
ward one central goal: producing a yearbook that  
reflected everyone's best efforts, hopefully in an  
award-winning combination. These hours and the  
pressures of deadlines led to experiences which of-  
ten seemed earth-shattering at the time. Fortunately,  
each member of the staff, including Mrs. Hoffman,  
now has the privilege of laughing at all those times  
they somehow managed to survive.

The staff can now review the happenings of this  
past year and reminisce with "I remember..."

"— the first time I tried to put film in a camera."

David Wentzel

"— we couldn't find the perfect picture needed to  
fill the vacant spot on the almost perfect layout." Scott  
Umstead

"— Tammy asked when our exam was in yearbook."

Gil Graybill

"— Gil and Kelly were always trying to change each

other's layouts and Mrs. Hoffman's hair turning more  
grey when the time for deadlines came around."

Dane Hockenbrock

"— Mrs. Hoffman couldn't understand why we were  
so calm on the day of a deadline." Amy Howell

"— we couldn't find the Junior Class officer pictures  
and Mrs. Hoffman had them all the time." Michelle

Bowersox

"— Julie couldn't find the field hockey pictures."

Mrs. Hoffman

"— Wendy W. and Michelle wore the hat and cape  
from Mrs. Hoffman's snowmen." Kelly Barner

"— Tammy messed up the number of pages we need-  
ed, and Dane trying to straighten them out." Kelly

Stoneroad

"— six different people gave me copy to write at  
once." Cristina Dippery

"— going from Richfield to Selinsgrove in 8 minutes."

Tammy Mengle

"— 'Smiley' and 'Elmer Fudd'" Julie Robinson

The members of the 1984 *Monitor* Staff would like to extend their appreciation to James Dippery for  
use of his sketch on the endsheet; Varden Studios for their photographic assistance; the administra-  
tion, faculty and students of MHS for their cooperation during hectic picture-taking schedules;  
Charles Bollinger for his help with theme, and most of all, Lynda Hoffman for all her patience, help, and  
guidance.

Shelly  
 has to a girl who  
 is the best for  
 my friends.  
 I remember when we went  
 to the soccer games & you wanted  
 to do a good time with  
 me. I don't do anything I wouldn't  
 do with you.  
 HA! HA!

Love always

The memories of our school years  
 will remain with us always ...

**Memories are forever.**

Shelly,  
To a very  
good looking  
girl and very special  
girl that I was able  
to get to know this year.  
Never forget Campus Life,  
soccer games, Basketball games, and  
wrestling matches. Keep up the good  
work in Field Hockey, Basketball, softball,  
and especially the great personality and  
you'll go far in life. Good luck in the future  
with whatever you attempt because you really  
deserve the best in every thing.

Love always,  
Mick "88"

Shelly,  
To a very nice + beautiful  
girl which I've known for a while.  
Sometime I'll take you for a motor-  
cycle ride. Remember all the good  
and fun times we've had. Good  
luck in the future with what ever  
you do and that special someone.  
Also one of the Cooliest girls in my  
section  
your friend  
Brian "88" maybe

Shelly,  
To a real  
funny, sweet,  
putty and just plain  
wonderful girl.  
all the good times. Remember  
our many and luck in the future with  
to offer. Good luck in the future with  
whatever you do.

SHELLY  
 TO A NEW  
 GIRL GOOD  
 YEAR. REMEMBER ALL THE  
 THE GOOD TIMES AT THE  
 BASKETBALL GAMES & WRESTLING  
 MATCHES. GOOD LUCK IN THE FUTURE  
 WITH WHAT EVER YOU DO & WHO EVER  
 YOU DO IT WITH. LOVE,

Shelly  
 To a real nice girl  
 that I've known for a  
 long time. I hope  
 you to the pool  
 this summer so we  
 can dunk you again  
 Good luck in the  
 future and with  
 that special someone

Shelly,

To a very pretty, sweet  
 and extremely crazy  
 girl I met through  
 Shelli. Never forget  
 all the good times  
 we had like at the  
 hall-a-thon and  
 Campus life. Remember  
 the good times  
 and forget the bad  
 (if there was any) I  
 wish you all the  
 love, luck, happi-  
 ness, and success  
 the world has  
 to offer you.

Remember the good times  
 and forget the bad  
 (if there was any) I  
 wish you all the

 ness, and success  
 the world has  
 to offer you.

Shelly,  
 To a very nice and  
 good looking girl I've  
 known for a while.  
 Good luck in the time  
 to come with that  
 special someone. See  
 you ~~at~~ ~~the~~ this summer.  
 Never forget, "stay cool"

To a very nice and  
 pretty girl I know for  
 a long time. Remember  
 all the fun times we  
 had in Sunday school.  
 Remember all the other  
 fun times but forget  
 we had. Good luck in  
 the future with whatever  
 you may do and with  
 that special someone
